HELLO & WELCOME!

Thank you for taking the time to stop by and congratulations on your engagement. I know this will be one of the most exciting and busy times of your lives and I'm here to help in any way I can!

I have been a photographer for over ten years now and I still love the excitement and importance of photographing weddings.

My style of photography is mostly candid and I cherish capturing moments as they occur naturally throughout the day. I am here to give you both guidance and direction to help your day run smoothly and ensure that I capture your memories perfectly. My aim is to keep your day stress free, fun and relaxed.

The look of my images is very deliberate; I aim for clean and bright colours and I will always look for amazing light first and foremost. A lot of my photos are 'backlit' and the best time of day for this is the hour before sunset.

I am really passionate about capturing the emotions, love and connections between couples and their family and friends. I want you to have the best day with me by your side and trust that you will have a seamless experience from start to finish.

ENGAGEMENT SESSIONS

\$600

1 hour location shoot

***Professionally edited high res images in both colour and black & white
Secure online gallery to share with family and friends***

Engagement sessions are a super fun, relaxed and casual way to create some lasting memories before your big day.

Together we can decide on a location that is meaningful to you both, or I can suggest some fantastic locations instead.

I encourage brides to schedule their hair and make-up trial on the day of their session. It's great to be pampered and I want you to feel your best.

A typical session is around 1 hour long, heading into sunset at your choice of location. Your gallery will then be finalised and emailed to you approximately a week later.

If you book an engagement session at the time of booking your wedding, your session is discounted to \$500.

OPTIONAL EXTRAS

Additional hours \$150

Additional hours can be added to any package for \$150 per hour.

Second photographer \$650

I typically photograph all weddings on my own, however sometimes an extra photographer can be beneficial for much larger weddings or for varied locations with extra driving distances. Please feel free to have a chat to see if you need a second photographer. A second photographer is available for six hours at \$650.

- Terms -

A \$500 booking fee is required to secure your date and is not refundable or transferable. This is deducted from your final balance. Digital packages require the full balance to be paid two weeks before your wedding day.

Please provide a basic hot meal and allow for a 20 min dinner break if attendance is required more than an hour into the reception. Weddings more than 80 km's from Yarrabilba will incur a \$200 travel fee.

Interstate and international weddings often require flights, accomodation and car hire. Please contact me for a competitive custom quote.

H O W D O I B O O K ?

Once I've confirmed your date is available, we will then confirm a time to catch up either in person, via facetime / skype, or a chat on the phone.

If you decide to then book with me, I will send you an invoice for your deposit and ask you to complete your booking form. Your deposit is deducted from your chosen package and it guarantees your wedding date.

A few months out from your wedding day, we will catch up again and walk through your venue together to discuss photo opportunities on the day.

From there, it's a matter of counting down until we see each other again.

If you have any questions at all, please don't hesitate to contact me anytime!
